

**Mono County Plan Addendum
for the
Welfare-To-Work (WtW) Grant Program**

Federal WtW funds have been received under contract by the Kern/Inyo/Mono Consortium. The consortium, through its organizational subsidiary, Employers Training Resource (ETR), administers Job Training Partnership Act funds for a service delivery area that includes Mono County. The Director of the Mono County Department of Social Services which includes CalWORKs, also serves as the ETR Administrator. The CalWORKs WtW case manager and the ETR WtW case manager are co-located and the services are closely coordinated and integrated to assure that services are focused on the hardest to employ and to avoid duplication of effort. Because of the co-location and coordinated case management, a seamless process has been established for identification and referral of participants who are determined eligible for services funded with federal WtW funds.
