A RESTRICTED ACCOUNT IS:

An account in a bank, credit union, etc. where a family who is receiving CalFresh benefits can keep money to be spent for only the following allowable expenses:

- Buying a home to live in;
- Starting a business; or
- Education or job training for the account holder and his/her dependents. (Dependents are those who are or could be claimed as dependents on the account holder’s federal income taxes.)

Before opening a restricted account, you may want to have cash and other resources (such as bank accounts, stocks, real estate, etc.) not exceeding your resource limit available for your use. Here’s why:

If you use any of the funds in your restricted account(s) to pay for emergencies, even when the emergency is due to a death or life-threatening situation, the withdrawal will count towards the resource limit of $2,000 or $3,250 (if there is at least one person in the household who is disabled or who is age 60 or older).

RULES FOR A RESTRICTED ACCOUNT:

- You must be receiving CalFresh benefits at the time you set up the account.
- More than one restricted account is allowed.
- There is not a limit on the maximum amount of savings in a restricted account.
- Funds in all restricted accounts do not count against your family’s resource limit.
- You must sign a Restricted Account Agreement before an account can be considered a Restricted Account.
- You can only spend the funds on an allowable expense.
- You must keep the funds, and any interest earned in a restricted account(s) separate from any other account.
- Interest earned on the Restricted Account(s) must be deposited directly into the account(s).
- You must complete a Restricted Account Agreement for each Restricted Account.
- If you have a restricted account and go off CalFresh benefits, the funds may be counted against your property and resources if you reapply for benefits.
REPORTING WITHDRAWALS

- **Semi-Annual Reporting Households**
  - Withdrawal of funds during the semi-annual period, do not have to be reported until your next income report (SAR 7) or recertification is due.
  - The county will reassess your resources with receipt of the semi-annual report and decide if the withdrawal was for an allowable expense. If your resources are below the resource limit ($2,000/$3,250), you will remain eligible for benefits if otherwise eligible.

- **Change Reporting Households**
  - A withdrawal made from your Restricted Account must be reported within 10 days of the date the funds were withdrawn.
  - The county will look at the resource limit within 10 days of the report.
  - The reason for your withdrawal will determine continuing eligibility.
  - If your resources are below the resource limit ($2,000/$3,250) you will remain eligible for benefits if otherwise eligible.
