### THIS NOTICE GIVES YOU INFORMATION ABOUT YOUR WTW 24-MONTH TIME CLOCK.

As of \_\_\_\_\_, the County has determined that you, \_\_\_\_\_, have a total of \_\_\_\_\_ **months remaining** of your WTW 24-Month Time Clock. Once you have used all 24 months of your WTW 24-Month Time Clock, you will have to meet different requirements to continue receiving aid and services unless you are exempt from WTW or qualify for an extension to the WTW 24-Month Time Clock.

Beginning with your 25<sup>th</sup> month, you must meet CalWORKs federal standards. Under these requirements, you will have to participate for the same total number of hours per week, and you will need to meet a core hourly requirement. The chart below shows the hourly participation requirements to meet CalWORKs federal standards, including the total number of weekly participation hours and the number of weekly hours in core activities.

Number of Adults in the Family (Assistance Unit)	Total # of Participation Hours Required Per Week	Required # of Hours in Core Activities Per Week
Single-adult with a child under 6 years old	20	20
Single-adult with no children under 6 years old	30	20
Two-parent families	35	30

The core activities that you may participate in include education, employment, work experience, job search, and community service. Some activities have a limit on how long they can count as a core activity, including job search and job readiness related activities. Vocational education and training may only be counted as a core activity if you have not already used your 12-month lifetime limit.

After using all of your WTW 24-Month Time Clock, if you do not meet the required hours of participation with an allowable core activity, your cash aid will be lowered by removing your portion of the grant.

- Need more information about how to ask for an extension to your WTW 24-Month Time Clock.

**CONTACT YOUR WORKER IF YOU THINK THIS NOTICE IS WRONG. YOU MAY ALSO ASK FOR A STATE HEARING. "YOUR HEARING RIGHTS" FORM ON THE BACK SIDE OF THIS PAGE TELLS YOU HOW TO ASK FOR A STATE HEARING.**

## YOUR HEARING RIGHTS

You have the right to ask for a hearing if you disagree with any county action. You have only 90 days to ask for a hearing. The 90 days started the day after the county gave or mailed you this notice. If you have good cause as to why you were not able to file for a hearing within the 90 days, you may still file for a hearing. If you provide good cause, a hearing may still be scheduled.

If you ask for a hearing before an action on Cash Aid, Medi-Cal, CalFresh, or Child Care takes place:

- Your Cash Aid or Medi-Cal will stay the same while you wait for a hearing.
- Your Child Care Services may stay the same while you wait for a hearing.
- Your CalFresh benefits will stay the same until the hearing or the end of your certification period, whichever is earlier.

If the hearing decision says we are right, you will owe us for any extra Cash Aid, CalFresh or Child Care Services you got. To let us lower or stop your benefits before the hearing, check below:

**While You Wait for a Hearing Decision for:**

### Welfare to Work:

You do not have to take part in the activities.

You may receive child care payments for employment and for activities approved by the county before this notice.

If we told you your other supportive services payments will stop, you will not get any more payments, even if you go to your activity.

If we told you we will pay your other supportive services, they will be paid in the amount and in the way we told you in this notice.

- To get those supportive services, you must go to the activity the county told you to attend.
- If the amount of supportive services the county pays while you wait for a hearing decision is not enough to allow you to participate, you can stop going to the activity.

### Cal-Learn:

- You cannot participate in the Cal-Learn Program if we told you we cannot serve you.
- We will only pay for Cal-Learn supportive services for an approved activity.
