Subject: Addendum to the Merced County CalWORKs Service Plan

Dear Ms. Otow:

Per your request, the Merced County CalWORKs Service Plan is amended as follows:
"Child Care and Transportation Services" page 17, paragraph 2.

Transportation Mileage reimbursement rate for CalWORKs participants who drive their own or someone else's vehicle to participate in CalWORKs Welfare-to-Work activities will be paid at the Merced County Fleet Operations and Maintenance (O&M) rate for sedans at 22 cents per mile or the Merced County (The Bus) public transportation rate whichever is appropriate. Participants driving a vehicle must provide proof of a valid driver's license and a current vehicle registration prior to being authorized for payment. The 22 cents a mile rate will cover the cost of all fuels, coolants, lubricants, tires, periodic service/maintenance, and cost of vehicle repairs including parts and labor.

Sincerely,

Phil Flores, Deputy Director
Employment and Training Services Division
