The purpose of this letter is to inform counties that the United States Department of Agriculture, FNS have issued the Federal Fiscal Year (FFY) 2015 adjustment for inflation to the Supplemental Nutrition Assistance Program (SNAP) maximum allowable resources. Under the Food and Nutrition Act of 2008, resource limit adjustments are effective as of October 1, 2014.

The resource limit for households will increase from \$2,000 to \$2,250. The resource limit for households if at least one person is age 60 or older, or is disabled, will remain unchanged at \$3,250.

Additionally, FNS increased the quality control tolerance level for excluding small errors from \$37 to \$38 effective beginning with the October 2014 case sample for Federal Fiscal Year 2015.
