COUNTY FISCAL LETTER (CFL) NO. 15/16-42

TO: ALL FOOD BANK EXECUTIVE DIRECTORS

SUBJECT: FEDERAL FISCAL YEAR (FFY) 2016 EMERGENCY FOOD ASSISTANCE PROGRAM (EFAP) PLANNING ALLOCATION

The purpose of this letter is to release the FFY 2016 EFAP Planning Allocation. At this time, the California Department of Social Services (CDSS) has only received a portion of the EFAP administrative funding. The planning allocation amount of the EFAP budget is \$7,203,963.

The amount of funding each food bank will receive is determined by allocating each food bank a base of \$40,000 and then applying the 60/40 formula. The 60/40 formula is based on 60 percent of the number of persons in households within the county having income below the federal poverty level (based on the 2010 census data) and 40 percent of the number of unemployed persons within the county (obtained yearly from Employment Development Department). The county 60/40 percentages have been updated to reflect this year's unemployment and poverty numbers.

Food banks are allowed to receive reimbursement for expenses directly related to the administration of EFAP in their service area. Food banks must include all program costs in their claims for reimbursement, even if they exceed their tentative reimbursement amount. The CDSS requires Food banks to maintain financial records documenting all EFAP related administrative expenses. Financial documentation will be reviewed during compliance monitoring visits and may also be reviewed upon request. Food banks must submit by mail to CDSS a completed Request for Reimbursement of Expenses form (EFAP 4). In order to be processed, the form requires an original signature when submitted to CDSS. All claims must be submitted with acceptable documentation of allowable program expenditures. A separate request package must be submitted for each quarter in which expenses are incurred. Acceptable documentation to support expenditures includes:

- A description of the allocation methodology used to calculate the expenses and
- A copy of the food bank's accounting ledger pertinent to EFAP costs or
- An appropriate summary of expenses for the submitted quarter or
- A print-out from an automated software program that summarizes EFAP expenses.

CFL No. 15/16-42 Page Two

The administrative funding must be used for the following purposes:

- Intrastate transportation, storage, handling, distribution, repackaging and processing
- Salaries of persons directly administering program and program-related expenses
- Fringe benefits and travel expenses
- Rent and utilities
- Accounting, auditing and other administrative services
- Computer services
- Costs related to EFAP training
- Costs associated with determination of eligibility, verification, and documentation
- Costs associated with providing information to persons receiving U.S. Department of Agriculture (USDA) commodities regarding proper storage and preparation
- Costs for publication of times and locations of distributions (7 CFR, 250.15(f) and 251.8(e)(1)(iv)) and
- Meals provided to volunteers, i.e., non-salaried staff, for services rendered during the distribution of USDA commodities. Meal cost must be reasonable and adequately documented with volunteer's name, hours worked, receipts, invoices or other evidence of the cost of providing meals and the volunteer's signature for each meal received.

Please see the attached spreadsheet for your food bank's planning allocation. The CDSS will send the final allocation letter once USDA releases the final amounts of the EFAP administrative funding.

If you have any questions please contact Don Williams, EFAP Program Manager at (916) 229-3336 or by email at <u>Don.Williams@dss.ca.gov</u> or Vincent Schenck, EFAP Fiscal Liaison at (916) 229-3338 or by email at <u>Vincent.Schenck@dss.ca.gov</u>.
