The purpose of this erratum is to provide a correction to ACIN I-60-16 regarding the handling of CalFresh applications requested by families who have children in school.

Page 5, the first paragraph states, “If the parent/caretaker of the child refuses to provide the information necessary to complete a CalFresh application, or does not return a signed CalFresh application, the CWD shall send notification that the request for application was not approved and shall state the reasons why.”

The ACIN should have stated, “If the parent/caretaker of the child refuses to provide the information necessary to complete a CalFresh application, or does not return a completed (name, address, and signature) CalFresh application, the CWD shall treat the incomplete or unreturned application like any other incomplete or unreturned application.”

If you have any questions concerning this letter, please contact your CalFresh county consultant or the CalFresh Policy Bureau at (916) 654-1896.
