- Initiated by CDSS

The purpose of this letter is to inform counties participating in Senate Bill (SB) 163 funded Wraparound Programs about a survey developed to gather information about Parent Partners roles, training needs and supports. If you have not implemented a SB 163 Wraparound program, in your county, you are not required to complete this survey.

The survey was developed on behalf of the California Department of Social Services by Parents Anonymous in collaboration with a workgroup consisting of parent representatives, wraparound parent partners, county administrators, and staff throughout the State of California. The survey is available online at the Parents Anonymous website www.parentsanonymous.org and then by clicking on the button labeled "SB 163 Wraparound Survey." The survey form will be available in English and Spanish. Three versions of the survey will be posted for administrators, staff, and Parent Partners working with families who are involved in SB 163 Wraparound programs.

Your prompt response and assistance in completing this survey is greatly appreciated. The survey will be available online until February 16, 2007. It is highly recommended that the survey be completed on the website, so responders will need to have access to a computer. If it is necessary, a hard copy of the appropriate version of the survey and any assistance in using the online form can be provided by contacting Ms. Meryl Levine, Vice President of Development at:
