SUBJECT: STATEWIDE DAY OF AWARENESS--CALIFORNIANS UNITING TO END DOMESTIC  
 VIOLENCE

Across the state and country domestic violence advocates are joining with allied community members to organize activities of remembrance and awareness during October's National Domestic Violence Awareness Month.

In recognition of National Domestic Violence Awareness Month, the California Department of Social Services is teaming up with local and statewide domestic violence organizations and state agencies to host a Statewide Day of Awareness – Californians Uniting to End Domestic Violence. This event will take place on the West Steps of the State Capitol, October 2, 2007, from 11:00 am – 2:00 pm. It will include speakers, live entertainment, refreshments, and resource booths.

Californians Uniting to End Domestic Violence is a collaborative effort sponsored by more than 20 organizations, including domestic violence programs, advocacy groups, state agencies, and public and private partners. In addition, a comprehensive tool kit has been developed and can be accessed at <http://www.safestate.org/domesticviolence>.

This event reflects California Department of Social Services' commitment to strengthening families and preventing abuse and neglect by helping to raise awareness about domestic violence. There are many faces of domestic violence and in many ways it affects every aspect of society. It knows no economic, ethnic, or social boundary and can be found in all communities regardless of ethnicity, religion, socio-economic status, or geographic location.

Please join us for this important day. If you would like information please visit [www.cpedv.org](http://www.cpedv.org) or contact me at (916) 657-2614 or Martha Dominguez, Program Analyst, Office of Child Abuse Prevention, at (916) 651-9989.

Sincerely,
