ALL-COUNTY INFORMATION NOTICE I- 91-79

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: REGULATION REVISION - COUNTY CONTRACTING

REFERENCE:

The Department of Social Services is planning to review and revise regulations governing county contracting involving state or federal funds administered by SDSS.

It is proposed that all contracting regulations (both current and revised) take the place of several Sections of the Manual of Policies and Procedures, (i.e., 10-202, 10-203, 25-830 and 25-833) and certain All-County Letters. As part of this process we would like, at this time, to solicit input from all organizations which potentially have an interest in the results of this process.

Our goal is to simplify and clarify a county's responsibilities under the contracting process while remaining within the constraints of the Code of Federal Regulations and Welfare and Institutions Code.

The scheduled date for completion of this draft process is November 30, 1979, at which time the formal regulations process will begin (i.e., public hearing, receive and respond to testimony, and filing). Therefore, we must receive your comments and/or proposed revisions by September 14, 1979.

If you have any questions regarding this process or with county contracting in general, please contact Jerry Rose at (916) 323-0223.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. E. Reich".

R. E. REICH
