ALL COUNTY LETTER (ACL) NO. 15-65

TO: ALL COUNTY WELFARE DIRECTORS  
ALL COUNTY CHILD CARE COORDINATORS  
ALL WELFARE TO WORK COORDINATORS  
ALL CONSORTIA REPRESENTATIVES

SUBJECT: CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO KIDS  
(CalWORKs) CHILD CARE PROGRAMS - REGIONAL MARKET RATE (RMR)  
CEILINGS

REFERENCE: [SENATE BILL \(SB\) 97](#), [ASSEMBLY BILL \(AB\) 104](#); [MANAGEMENT BULLETIN 15-07](#); [ALL COUNTY LETTER 06-28](#); [ALL COUNTY LETTER 14-94](#)

This letter provides information on the implementation of the RMR ceiling increase effective October 1, 2015 for California's subsidized child care providers.

**BACKGROUND**

The RMR ceilings are the maximum amount child care providers can be reimbursed from the state for subsidized child care. It applies to the CalWORKs Stage One child care program administered by the California Department of Social Services (CDSS) and the CalWORKs Stages Two and Three and other voucher based child care programs administered by the California Department of Education (CDE). The CDE is responsible for the contract awarded on a competitive basis to conduct the biennial RMR survey of child care providers. The survey is based on a methodology of zip code groupings that have similar socio-economic characteristics (e.g., similar housing costs, population density, and employment rates). The survey results are utilized to create the RMR ceilings based on an aggregate of the survey data for each county.

**CHANGE IN RMR PAYMENT CEILINGS**

SB 97 (Chapter 11, Statutes of 2015) and AB 104 (Chapter 13, Statutes of 2015) provide a 4.5 percent increase to the RMR ceilings for each category of child care in all counties by applying 104.5 percent to the greater of either the 85<sup>th</sup> percentile of the 2009 RMR survey for that region, reduced by 10.11 percent, or the 85<sup>th</sup> percentile of the 2005 RMR survey for that county. Additionally, SB 97 and AB 104 increase reimbursement ceilings for license-exempt child care providers to 65 percent of the family child care home ceiling. These changes to the RMR ceiling are effective October 1, 2015 and should be automated into the consortia systems by the effective date, or counties must have a manual process in place to meet the

requirements of the change until the automation changes are completed.

The new ceilings will be available to the public October 1, 2015 at:

<http://www3.cde.ca.gov/rcsc/>

Some clients may see an increase in their reimbursement due to the RMR ceiling increase. Counties must review each child care case to determine if these changes result in an increase to a client's reimbursement and notify those clients in accordance with the Manual of Policy and Procedure (MPP) Section 47-420.3 cited below. To assist Counties in preparing for this change, attached are the new RMR ceilings.

**NOTICE OF ACTION (NOA)**

Implementation of the RMR ceiling changes described in this letter will likely impact many clients' child care subsidies. The CDSS MPP Section 47-420.3, specifies that County Welfare Departments (CWD) shall notify clients whenever there is an approval, denial, change, or discontinuance in the amount of a child care subsidy.

To provide timely notice to these individuals, CWDs shall issue the NA 833 (10/14) NOA Child Care Change (or a CDSS approved substitution) to these clients at least ten days before the change in child care benefit occurs. The reason for the change will be listed as, "The State of California changed reimbursement limits." If this NOA language is not programmed by consortia by the effective date, county workers must use shelf stock containing the same language until the new language is automated. A copy of the NA Back 9, Your Hearing Rights, must accompany each of these notices. The CWDs are reminded that clients have the right to a hearing for the purpose of determining an incorrect subsidy or grant computation in accordance with MPP Section 22-003.

If you have any questions regarding this letter, please contact the Child Care Programs Bureau at (916) 657-2144.

Sincerely,
