ALL-COUNTY LETTER NO. 04-23

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: KINSHIP/FOSTER CARE EMERGENCY FUND ALLOCATION FOR
FISCAL YEAR (FY) 2004/2005**REASON FOR THIS TRANSMITTAL**

- State Law Change
 Federal Law or Regulation Change
 Court Order
 Clarification Requested by
One or More Counties
 Initiated by CDSS

This letter is to provide counties with information regarding allocation of proposed funding of the Kinship/Foster Care Emergency Fund. At this time, the Budget Act contains a \$1,000,000 appropriation to this fund. However, this appropriation may change dependent upon Budget negotiations and as such, may require revision to the allocation for each county. Therefore, the per-county-allocation listed in Attachment A is provided at this time to aid counties in planning their funding related to this allocation. A County Fiscal Letter (CFL) will be issued following release of the FY 2004/2005 Budget Act with additional information about the appropriation and each county's allocation.

BACKGROUND

The purpose of the Kinship/Foster Care Emergency Fund is to enable successful emergency placement of a child with a relative, nonrelative extended family member (NREFM), or foster parent by removing barriers to such a placement. The fund may also be used to retain a placement when extenuating circumstances may alter a stable relative or NREFM placement.

Funds are intended to assist a relative in providing care to a relative child. Additionally, funds may be used to assist a prospective NREFM or foster family home applicant in meeting the requirements to provide care to a child. However, these funds may not be used to assist a currently licensed foster family home caregiver in meeting the requirements to continue to provide care to a child.

Counties may use the Kinship/Foster Care Emergency Fund allocation to:

- Remove barriers that prevent the safe placement of a child (e.g., fire or water safety hazards, medication storage, electrical repair, or inadequate living space).
- Defray relocation expenses when necessary to ensure the child's safety or to provide adequate living space.

- Meet a child's special needs when those needs cannot be met through other funding sources (e.g., Specialized Care Incentives and Assistance Program (SCIAP)).
- Make emergency purchase of a major appliance or furniture when necessary to serve the placement of a child.
- Defray utility installation fees.
- Provide short-term crisis counseling to prevent entry/re-entry of a child into the child welfare system.
- Provide temporary childcare to permit adjustment of job and/or home schedules when an emergency placement is made.

All expenditures of this funding are to be for one-time needs and not to pay for recurring expenses. A county may serve a relative caregiver, NREFM, or prospective foster parent requiring emergency assistance for expenses not covered by other funding sources, such as SCIAP or clothing allowance.

ALLOCATION METHODOLOGY AND AMOUNT

The per-county allocation was calculated using the most recent Child Welfare Services/Case Management System (CWS/CMS) relative placement data (December 2003). Depending on the number of counties receiving funds from the FY 2004/2005 appropriation, there may be a surplus of funds that will be allocated to augment the proposed funding level for each county. Counties will receive final funding levels via a CFL following adoption of the FY 2004/2005 State Budget. You may refer to CFL No. 00/01-29 for claiming instructions.

Funds will be allocated through the county allocation process. The proposed \$1,000,000 appropriation is proposed to be allocated to a participating county as follows:

- | | |
|---|----------|
| • 500 or more children in relative placements | \$48,396 |
| • 100 or more but less than 500 children in relative placements | \$16,132 |
| • Less than 100 children in relative placements | \$5,000 |

HOW TO OBTAIN FUNDS

A county that would like to receive an allocation of the FY 2004/2005 Kinship/Foster Care Emergency Fund, and did not previously receive such funds, must submit a letter of intent by August 1, 2004. A county does not need to submit a letter of intent if it received funds from the FY 2003/2004 appropriation.
