ALL-COUNTY LETTER NO. 74-133

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: Treatment of General Assistance Payments in SSI

REFERENCE:

The Bureau of Supplemental Security Income of the Social Security Administration has indicated that they have established as their policy, the treating of General Assistance paid to SSI applicants as a loan, if such payment is secured by an agreement to repay. If the General Assistance payment is considered a loan, it will not be counted as income in computing the applicant's SSI entitlement. However, if the General Assistance payment is not a loan, it will be considered as unearned income and thereby reduce any SSI entitlement dollar for dollar.

In view of this, we are reviewing current county procedures in the handling of General Assistance payments to SSI applicants. For this purpose, we have attached a questionnaire, and ask that you respond by completing and returning this questionnaire to the Adult Program Management and Liaison Branch by no later than July 31, 1974.

Should you have any questions concerning this study or the submission of the questionnaire, please contact the Adult Program Management and Liaison Branch at (916) 445-0813.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Dennis O. Flatt'.

DENNIS O. FLATT
Deputy Director
