ALL-COUNTY LETTER NO. 76-45

TO: All County Welfare Directors

SUBJECT: Food Stamp Outreach Brochures

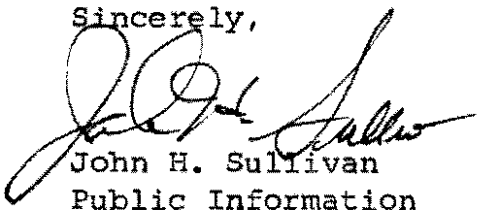

A revised Spanish translation of the leaflet "Food Stamps Can Help" is now available (sample attached). An initial supply is being mailed to you, and additional copies can be ordered without charge from Publications, Department of Benefit Payments, 744 P Street, Sacramento, California 95814; (916) 445-0814.

This revision makes the March (Marzo) 1975 leaflet obsolete. Please discard all copies of the old leaflet.

"Food Stamps Can Help" is designed specifically for potential Food Stamp applicants and should be provided to individuals and local organizations as part of your "outreach" activities.

A Chinese and a Filipino translation of the leaflet are being prepared. When these versions are ready for distribution, you will be sent sample copies.

Sincerely,

John H. Sullivan
