ALL-COUNTY LETTER NO. 81-101

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: DAVIS v. WOODS

REFERENCE:

On August 19, 1981, Los Angeles Superior Court Judge Robert Weil issued a Preliminary Injunction in the case of Davis v. Woods. You were informed by All-County Letter dated August 27, 1981 of the contents of this order and that the Department would be requesting the funds necessary to implement this order from the Department of Finance. You were also instructed to identify those cases affected by the Preliminary Injunction.

The Department of Finance has now approved the availability of funds for the Department to implement this order. Therefore, beginning immediately, you are to grant or restore AFDC effective August 1, 1981, to those applicants or recipients who were terminated or denied aid and who are age 18-20 and regularly attending a high school curriculum or a course of vocational or technical training, other than a course provided through a college or university.

We will keep you informed of any further developments in this case that require county action.

Sincerely,

  
KYLE S. MCKINSEY  
Deputy Director
