ALL-COUNTY LETTER NO. 84-123

TO: ALL-COUNTY WELFARE DIRECTORS

SUBJECT: REVISED TABLES OF COUPON ISSUANCE EFFECTIVE JULY 1, 1984

REFERENCE: ALL-COUNTY FOOD STAMP COORDINATORS' LETTERS DATED
MAY 18, 1984 AND JUNE 1, 1984

The purpose of this letter is to advise county welfare departments (CWDs) that the advanced copy of the revised federal food stamp tables of coupon issuance which became effective July 1, 1984 and which were sent to all counties on June 1, 1984, will not be incorporated into the Manual of Policy and Procedures (MPP) Food Stamp Handbook Section 63-1101. This decision has been made as a result of the number of changes since the July 1 table revisions and the closeness of the forthcoming October 1984 and November 1984 revisions of the tables of coupon issuance.

CWDs must therefore retain the advance copy of the July 1984 tables in order to support food stamp issuances made between July and October 1984 for program reviews (corrective action and quality control reviews), state hearings and when establishing claims against households. For these counties that did not retain their advance copy of the July 1984 tables of coupon issuance, please contact the Food Stamp Policy Implementation Bureau at the telephone number listed below to obtain another copy.

Both the October and November, 1984 revisions to the tables of coupon issuance will be incorporated into MPP Section 63-1101 and will be released to all food stamp manual holders in the near future.

We regret any inconvenience this may cause and will make every effort to incorporate future revisions to the MPP Food Stamp Handbook as timely as possible. If you have any questions concerning this letter, please contact the Food Stamp Policy Implementation Bureau at (916) 445-6907.
