ALL-COUNTY LETTER NO. 88-31

TO: ALL-COUNTY WELFARE DIRECTORS

SUBJECT: AID TO FAMILIES WITH DEPENDENT CHILDREN HOMELESS  
ASSISTANCE REPORTING SYSTEM

REFERENCE: ALL-COUNTY LETTER NO'S 88-04 AND 87-163 AND  
ALL-COUNTY INFORMATION NOTICE NO. I-04-88

As you learned through a message sent by electronic mail (SYSM) on January 29, 1988, the Aid to Families with Dependent Children (AFDC) Homeless Assistance regulations (MPP 44-211.5) went into effect on February 1, 1988.

We have developed a data reporting system which is to be used to report statistics regarding Homeless Assistance. A camera-ready copy of the report form (No. CA237 HA AFDC-Homeless Assistance Program Monthly Statistical Report) is attached and should be used to report data immediately.

The effective date of this reporting system is February 1, 1988. Therefore, the first report month is February 1988. This report is due to the Statistical Services Section by the eighth working day of the month following the report month.

Because of the late date this letter reached you, the initial due date (March 11, 1988) is waived, and the first report is due as soon as data can be provided. However, please make every effort to ensure that the first report is submitted by April 4, 1988.

If you have any questions, please call Levy St. Mary of the Statistical Services Section at (916) 445-2135 or ATSS 485-2135.

DENNIS J. BOYLE
