ALL COUNTY LETTER NO. 89-101

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: SOCIAL SECURITY COST-OF-LIVING INCREASES

Social Security recipients will receive a 4.7 percent cost-of-living increase in their Social Security benefits effective December 1, 1989, which is payable January 1990. This increase will affect grant and allotment amounts and could affect eligibility for Aid to Families with Dependent Children (AFDC) including AFDC/Foster Care, Refugee Cash Assistance (RCA), Refugee Demonstration Project (RDP), Entrant Cash Assistance (ECA), and Food Stamp Cases. If the grant or allotment amounts are adjusted due to the Social Security benefit increase, the requirements for a timely and adequate Notice of Action shall apply.

Payment Verification System (PVS) COLA Notification

SDSS will not be providing additional notification of the SSA cost-of-living increase via the Payment Verification System (PVS). However, upon request, a cost-of-living printout or magnetic tape will be provided to the counties. The COLA printouts will not be subject to the requirements of the Income Eligibility Verification System (IEVS).

AFDC, RCA, RDP, ECA and Food Stamp Monthly Reporting Cases

For continuing cases, the Social Security increase must be reported on the January 1990 CA 7 due in February 1990, and retrospectively budgeted to determine grant and allotment amounts for March. These increases must also be considered prospectively when determining income eligibility for the month of January. The new Social Security benefit amount can be determined by multiplying the "old" Social Security benefit amount by 1.047.

Food Stamp Nonmonthly Reporting Cases

CWDs are required to automatically adjust the Food Stamp benefits to reflect the Social Security COLA no later than the second allotment issued after the month in which the change becomes

effective for nonmonthly reporting households (Manual Section 63-504.46). Therefore, the increase would have to be reflected no later than the March 1990 food stamp allotment.

For those households identified as Social Security recipients through a desk review, the cost-of-living increase will be reflected by multiplying the "old" Social Security benefit amount by 1.047.

All New Applicants (AFDC, RCA, RDP, ECA and FS)

For new applicants, the actual amount of the Social Security benefit shall be used for prospective eligibility and budgeting purposes.

Per Manual Section 63-504.462(b)(1)(A), no household shall be held liable for any food stamp overissuance resulting from the CWD's application of the 4.7 percentage increase factor. If an underissuance of food stamp benefits occurs, the household will be entitled to a restoration of lost benefits in accordance with Manual Section 63-802.

If you wish to receive your county's printouts or magnetic tape for COLA, please contact Bill Schmidt of the Fraud Program Management Bureau at (916) 445-2757 by January 10, 1990.
