ALL COUNTY LETTER NO. 89-24

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: DELAYED IMPLEMENTATION OF THE CA 1 (9/88)

REFERENCE: ALL COUNTY LETTER 88-151, DATED DECEMBER 2, 1988

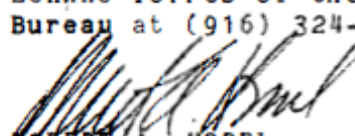

This letter is a follow-up to the systems message EMC2 DHS #89014, dated February 1, 1989. Because the DSS Warehouse had not yet received stock of the new CA 1 (9/88) to meet the original implementation date of February 1, 1989, the implementation date has been delayed to no later than April 1, 1989. The delay will allow counties which order stock from the Warehouse time to receive and distribute supplies by April 1, 1989.

An interim supply of the CA 1 (9/88) is expected in the DSS Warehouse by the end of February. The Warehouse will disperse this interim supply on a limited basis to counties until a full supply is received. The full supply is expected by the end of March.

The CA 1 (11/85) or the Temp CA 1 (7/88) may continue to be used through the end of March. The Temp 1744, Important Notice, Rules About Immediate Need Have Changed, must continue to be given to applicants with these versions of the CA 1.

Counties which print stock may implement the new CA 1 (9/88) immediately. The Temp 1744 is no longer needed when the CA 1 (9/88) is used.

If you have any questions regarding the CA 1 (9/88), please contact LeAnne Torres of the AFDC and Food Stamp Policy Implementation Bureau at (916) 324-2016 or ATSS 454-2016.
