TO: All County Welfare Directors

REFERENCE: All County Letter No. 91-19, Dated February 25, 1991

All County Letter (ACL) No. 91-19 indicated that PUB 170, "Receipt for Documents" was a required poster. However ACL No. 91-12, dated February 5, 1991, indicated (on page 2, second paragraph) that "CWDs ... already providing receipts on a routine basis need not post the notice [PUB 170]." (CWDs are advised that ACL 91-12 is correct.)

We regret any inconvenience this may have caused.
