The Program Code Descriptions (PCDs) and Support Staff Time Reporting Instructions (SSTRI) for use during the September quarter are as follows:
Effective in the December 2001 quarter, any PCD change recorded under the above functions will have the corresponding quarter assigned to that change. For example, if in the December quarter, program codes are added or deleted under the Social Services Function, the corresponding date of the change would be 12/01. And in the March 2002 quarter, if there are program code changes under the CalWORKs function, the corresponding quarter would be listed as 03/02. If there are no changes to the PCD, the most current revision date will remain. Adding the correct quarter date to the above functions will aid in tracing the additions or changes of PCDs and their corresponding Program Identifier Number (PIN) codes.

I. GENERAL INSTRUCTIONS

A. Effective with the September 2001 Quarter claim, the cover letter enclosed with each county’s CEC must include the budget unit numbers identified in the County Cost Allocation Plan (CCAP) that is approved by the State Controller’s Office (SCO). For more information see CFL 97/98-26, dated October 15, 1997.

B. Counties are reminded that if the method used to time study has changed (example: from 22 day to mid-month time study), a Time Study Methodology Certification (DFA 880) form must be signed by the Chief Fiscal Officer and submitted to the Fiscal Policy Bureau (FPB) for approval. The FPB will review and approve/disapprove the change within 30 days of receipt. To request a copy of the DFA 880 form, please contact your FPB county analyst.

C. This is to clarify prior CFLs regarding the claiming of Separate Service Center (SSC) costs. The SSC is a facility that is separate and apart from the County Welfare Department (CWD) and was established through the Greater Avenues for Independence (GAIN) Program. An example of a CWD-operated SSC is a child care center. SSC costs are charged to a Direct Cost PIN code ending in 057. Direct costs, which are primarily expenditures made on behalf of CWD clients or costs that can accurately be determined to benefit only one program, are not part of the allocation process.

SSC costs include the salaries and benefits of CWD caseworker staff assigned on a permanent basis to the SSC and the overhead costs of operating the service center. Although staff will time study, the DFA 55 (Casework Time Study and Salary Distribution Summary) and DFA 7A (Support Staff Summary) will not be utilized to distribute their salary and benefits.
One-Stop Centers are different from the SSCs. One-Stop Centers were created with the inception of the Workforce Investment Act (WIA). Many counties now participate in one-stops and are partners with other county agencies, non-profit agencies and/or for-profit agencies. All one-stop partners must agree on how costs are shared. Please note that whether utilizing a SSC or One-Stop, counties must maintain an audit trail for all costs.

II. SOCIAL SERVICES

A. Emancipated Youth Stipend (EYS) - Contracted Services

**Time Study Instructions**
None.

**Claiming Instructions**
The EYS - Contracted Services PIN 111031 was deleted in the June 2001 quarter. After further research this PIN has been re-established to capture contracted services associated with the EYS Program. The EYS Program provides stipends to emancipating foster youth in finding affordable housing, text books for college or vocational training, employment searches, emergency personal needs and bus vouchers.

B. Family Preservation and Support Services Program (FPSP)

Federal statute has changed the name of the Family Preservation and Support Services Program (FPSP) to the Promoting Safe and Stable Families (PSSF) Program. However, the program name has not changed at the state level and FPSP will continue to be used until further notice.

**Time Study Instructions**
None.

**Claiming Instructions**
Effective with the September 2001 quarter, PIN 516068, FPSP Direct Costs, has been established to capture direct costs associated with FPSP activities. Allowable direct costs include, the purchase of goods or services on a non-recurring or as needed basis. Allowable FPSP services include but are not limited to: home visitation, parent education, information and referral services, family counseling services, respite care for parents and other caregivers, early development assessment needs of children, literacy services and health education for parents and children.

C. CWS - Voluntary Foster Care (FC)

As outlined in CFL No. 00/01-36, dated October 27, 2000, counties were informed that the Federal Department of Health and Human Services would no
longer require states to report voluntary foster care expenditures separately. Effective in October 2000, counties were instructed to stop using the CA 800 (Fed-Voluntary FC) form and report all voluntary foster care expenditures on the CA 800 FC (FED) form. As part of that change, counties will no longer need to report their federal voluntary foster care eligibility and case management costs separately.

**Time Study Instructions**
Effective with the September 2001 quarter, the following TSCs have been deleted: TSC 1542 (CWS-Case Management, Voluntary FC) and TSC 6131 (AFDC FC Eligibility -Voluntary Program). The Support Staff Code C-17 (FC Eligibility - Voluntary Program) is also deleted. County social workers will now report all time spent completing eligibility determinations and case management activities to the following TSC's:

- 3451 AFDC Foster Care Eligibility
- 1481 CWS-Case Management Emergency Response Program
- 1482 CWS-Case Management Family Maintenance Program
- 1483 CWS-Case Management Family Reunification Program

**Claiming Instructions**
Effective with the September 2001 quarter, the following PCs are deleted:

- 154 CWS-Case Management, Voluntary FC
- 613 AFDC Foster Care Eligibility-Voluntary Program.

Counties will now claim costs to PC 148 (CWS-Case Management) and PC 345 (AFDC - FC Eligibility) as appropriate.

**D. AFDC - FC - Nonfederal**

PC 207 was originally established to capture nonfederal AFDC-FC costs associated with the determination and re-determination of eligibility. As outlined in CFL No. 91/92-14, the Administration for Children and Families issued Policy Announcement (PA) 87-05 that allowed the use of Title IV-E funds for administrative costs associated with FC eligibility for all cases regardless of whether the outcome resulted in a IV-E eligible case.

Based on this information, it has been determined that counties will no longer report information to this code. Therefore, effective with the September 2001 quarter, PC 207 is deleted.

**Time Study Instructions**
None.

**Claiming Instructions**
None
E. Adoption Assistance Payment (AAP) - Senate Bill (SB) 163 Wraparound Demonstration Project.

The Adoptions Bureau has determined that it is no longer necessary to collect Adoptions Assistance Payment - SB 163 Wraparound Demonstration Project data through the CEC. Expenditure data for AAP Wraparound Children is now reported to the California Department of Social Services (CDSS) on a separate reporting form. Therefore, PC 566 is deleted.

AAP children may still participate in the SB 163 Wraparound Pilot Project.

**Time Study Instructions**
Effective with the September 2001 quarter, TSC 5661 is deleted.

**Claiming Instructions**

TANF FISCAL INCENTIVES

Welfare and Institutions Code 10544.1 established performance incentives to counties to move CalWORKs recipients to employment. Counties may use TANF federal incentive funds for expanded services and benefits that directly lead (or can be expected to lead to) the accomplishment of one of the four purposes of the TANF program.

The following Time Study Codes have been established to capture costs for federal reporting purposes for activities consistent with benefits or services provided under TANF. These codes will only be used for reporting federal fiscal incentives. Counties may no longer report fiscal incentive expenditures to extraneous; all expenditures must be reported under existing and new program codes. Both state and federal fiscal incentive expenditures will continue to be reported on the addendum page.

The listing of potential activities below is by no means exhaustive but serves to illustrate a few of the possibilities that counties may consider when designing their programs.

TANF FISCAL INCENTIVES – PROGRAMS THAT PROVIDE ASSISTANCE TO NEEDY FAMILIES

Activities consistent with the first purpose of TANF are those which provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives. It does not cover children living with non-relatives. Benefits or services may include funding of home repairs or food banks to provide groceries to needy families. Benefits provided under this purpose are not limited to those within the definition of “assistance.”
CODE 0911  TANF FISCAL INCENTIVES–PROGRAMS THAT PROVIDE ASSISTANCE TO NEEDY FAMILIES-NON-ADMIN

Includes time spent providing program service information to clients, screening and assessments, case management, data collection, and supportive services.

CODE 0951  TANF FISCAL INCENTIVES–PROGRAMS THAT PROVIDE ASSISTANCE TO NEEDY FAMILIES-ADMIN

Includes time spent performing general administrative activities including but not limited to coordination of the program, preparation of program plans, budgets and schedules and program eligibility determinations.

TANF FISCAL INCENTIVES–PROGRAMS THAT END DEPENDENCE OF NEEDY PARENTS

Activities consistent with the second purpose of TANF are those which end the dependence of needy parents on government benefits by promoting one of three objectives; job preparation, work and marriage. Activities would include time spent helping any needy parent, including a noncustodial parent or a working parent, by providing employment, job preparation, or training services. Potential services include job or career advancement activities, marriage counseling, refundable earned income tax credits, child care services, and employment services designed to increase the noncustodial parent’s ability to pay child support. Activities that promote any one of the three objectives—job preparation, work, and marriage—would be consistent with this purpose.

CODE 0921  TANF FISCAL INCENTIVES–PROGRAMS THAT END DEPENDENCE OF NEEDY PARENTS-NON-ADMIN

Includes time spent providing program service information to clients, screening and assessments, case management, data collection and providing supportive services.

CODE 0961  TANF FISCAL INCENTIVES–PROGRAMS THAT END DEPENDENCE OF NEEDY PARENTS-ADMIN

Includes time spent performing general administrative activities including but not limited to coordination of the program, preparation of program plans, budgets and schedules, and program eligibility determinations.

TANF FISCAL INCENTIVES – PROGRAMS THAT PREVENT OR REDUCE OUT-OF-WEDLOCK PREGNANCIES

Activities consistent with the third purpose of TANF are those which prevent and reduce the incidence of out-of-wedlock pregnancies and establish annual numerical goals for preventing and reducing the incidence of these
pregnancies. Neither this purpose nor the following purpose is limited to needy families or individuals. Potential activities that are reasonably calculated to accomplish this purpose include abstinence programs, visiting nurse services, and programs and services for youth such as counseling, teen pregnancy prevention campaigns, and after-school programs that provide supervision when school is not in session. Counties may also fund a media campaign for the general population on abstinence or preventing out-of-wedlock childbearing.

CODE 0931 TANF FISCAL INCENTIVES – PROGRAMS THAT PREVENT OR REDUCE OUT-OF-WEDLOCK PREGNANCIES –NON-ADMIN

Includes time spent providing program service information to clients, screening and assessments, case management, data collection and providing supportive services.

CODE 0971 TANF FISCAL INCENTIVES – PROGRAMS THAT PREVENT OR REDUCE OUT-OF-WEDLOCK PREGNANCIES –ADMIN

Includes time spent performing general administrative activities including but not limited to coordination of the program, preparation of program plans, budgets and schedules, and program eligibility determinations.

TANF FISCAL INCENTIVES – PROGRAMS THAT ENCOURAGE THE FORMATION AND MAINTENANCE OF TWO-PARENT FAMILIES

Activities consistent with the fourth purpose of TANF are those which encourage the formation and maintenance of two-parent families. This includes parenting skills training, premarital and marriage counseling, and mediation services; activities to promote parental access and visitation; job placement and training services for noncustodial parents; initiatives to promote responsible fatherhood and increase the capacity of fathers to provide emotional and financial support for their children; and crisis or intervention services.

GENERAL FUNCTION DEFINITION

Staff development personnel are required to complete a continuous time study. In addition, part-time staff must record time spent performing staff development activities on a continuous basis as well.

TIME STUDY STAFF

B. Clerical staff, who are assigned to support the staff development unit, record this time to Staff Development Support on the DFA 7. For those staff who also provide support to non-staff development units, the non-staff development support time is recorded in accordance with the SSTRP, and as a result, their salaries and benefits are prorated between the Staff Development Costs and other applicable cost pools.

C. Second-line staff development supervisors who are assigned to the staff development unit record their time to Staff Development Support on the DFA 7. If not assigned solely to staff development, the non-staff development time is recorded in accordance with the SSTRP, their salaries and benefits are prorated between the Support Staff Costs and Staff Development Costs pools.

TIME STUDY INSTRUCTIONS

Staff development activities include planning, needs assessment, course design, presenting training, monitoring and evaluation. Staff development activities are identified to three categories: function, specific program, or generic. Identify activities to the category based on the following definitions:

A. Function: The training activity relates to a function but is not specific to one program within the function:

1. Social Services-General
2. CalWORKs – General
3. Other Public Assistance - General
4. Child Care - General
5. Nonwelfare - General
6. Generic

B. Program: The training activity relates to one or more specific programs which can be identified. For example, CalWORKs eligibility worker induction training covers both the Food Stamp and CalWORKs programs, the training activity is prorated between the two programs based on the training time spent in each program area. Activities are recorded to programs using the appropriate four-digit code; refer to the Program Code Description for each function to obtain the appropriate code.

C. Generic: The training activity does not relate to a particular function or program. Some examples of Generic training subjects are time management, supervising techniques, civil rights, first aid, and stress reduction.
TIME STUDY STAFF

County welfare department employees who are assigned to perform EDP activities on a temporary or permanent basis will record time as specified. Eligible EDP activities include: analysis, feasibility and system studies, system design, development, programming, implementation, and maintenance.

Electronic data processing staff and first-line EDP supervisors who perform these EDP activities will record time to the developmental or maintenance and operations (M and O) category, as applicable. These staff must complete continuous time studies.

Other CWD staff who are temporarily assigned to perform EDP activities will record their EDP time to the developmental category only. Their non-EDP time will be recorded, as applicable, to those activities in accordance with the Staff Support Time Reporting Plan (SSTRP). Both the EDP and non-EDP time must be recorded on a continuous basis in order to capture the total hours worked for the day.

Administrative and clerical staff who are assigned to support the EDP unit record this time to EDP Support on the DFA 7. For those staff who also provide support to the non-EDP units, the non-EDP support time is recorded in accordance with the SSTRP, and as a result their salaries and benefits are prorated between the EDP and other cost pools.

TIME STUDY INSTRUCTIONS

County welfare department staff are required to record their EDP activities as M and O or developmental.

M and O

Activities are recorded to the program, function, or SAWS project, if the EDP activity benefits one specific program, function or one SAWS project. If the activity benefits more than one function, the activity is recorded to Generic. Record activities to these designators:

C. Record travel and continuing training time to the program or function level approved in the SSTRP. Travel and training time having a department-wide benefit, or cannot be identified to a program or function will be recorded as generic. For staff not included in a SSTRP, record this time to time study code used for all other customary activity.

D. Time Study Staff
   - Complete the DFA 7 on a daily basis throughout the month.
   - Check Time Study box.

E. Time Certification Staff
   - Record nonallocable time daily; record total allocable time at the end of the month only.
   - Check the Time Certification box.

At the end of each time study month, each first-line supervisor will attest to the accuracy of the time studies and certifications completed by employees in their units by signing the designated line.

**Time Reporting Instructions for First-Line Supervisors**

First-line supervisors may certify the time spent supervising their unit if their staff certify. If their staff time study, they must prorate their supervisory time based on the allocable time reported by the unit staff.
Time Reporting for Second-Line Supervisors through Directors

Second-line supervisors and above will time study/time certify as specified in the SSTRP. Please refer to General Time Study Instructions.

GENERAL INSTRUCTIONS FOR COMPLETING THE TIME STUDY

Complete the time study on a continuous basis throughout the day.

Round hours to the nearest quarter hour.

Record the total hours worked for each day; do not record overtime (OT) and compensating time off (CTO) hours worked in the total hours for the day. When CTO is used, record the time to the program or activity that caused the overtime. If the county is unable to track CTO to the program that caused the overtime, CTO may be recorded as nonallocable when used.

Record travel time to the program with which it is associated.

Record breaks, dock, furlough, leave without pay time, holidays, jury duty, military leave, sick leave, and vacation as nonallocable. Lunch and normal days off are not recorded.

Record time spent in continuing training to the associated program; if not identifiable to a program, record as generic.

Record quality control/quality assurance and program integrity activities to the associated program.

Record time for conferences and staff meetings to the associated program or function; if not identifiable to either, record as generic.

The total allocable and nonallocable hours recorded for each day must equal the total assigned routine work hours as defined by the County Welfare Department (CWD).

Caseworkers who perform administrative activities, whether full-time or part-time, will record these activities to generic.

First-line supervisors of caseworkers record their nonallocable time and any direct time spent on casework activity on a daily basis. Time spent on supervision is allocated to the appropriate programs at the end of the time study period based on the allocable time of their staff.
