<u>General Instructions to Counties</u>	Page 2
<u>Wraparound Services Project</u>	Page 2
<u>Title IV-E Waiver Pilot – Extended Voluntary Component</u>	Page 2
<u>Food Stamp Employment and Training</u>	Page 3
<u>Food Stamp Reinvestment Project</u>	Page 4

The Program Code Descriptions (PCDs) and Support Staff Time Reporting Instructions (SSTRI) for use during the December 2001 quarter are as follows:

Social Services	12/01
CalWORKs	9/01

Effective the December 2001 quarter, any PCD change for the above functions will have the corresponding quarter assigned to that change. For example, if in the December 2001 quarter, program codes are added or deleted under the Social Services Function, the corresponding date of change would be 12/01. If in the March 2002 quarter the program code changes under the CalWORKs function, the corresponding quarter would be listed as 03/02. If there are no PCD changes, the most current revised date will

remain. This procedure will aid in tracking additions or changes of PCDs and corresponding Program Identifier Number(s) (PIN).

I. GENERAL INSTRUCTIONS

A. County Checklist

Effective the September 2001 quarter, the county checklist, which is part of the FoxPro template blocking use of program codes, will represent only county specific programs. For example, programs involving demonstration projects or wraparound services would be limited to certain counties. Alternatively, program codes like 506 (Foster Parent Training and Recruitment) would be open for all counties to use.

B. Extraneous Cost Section

If a county does not have a cost allocation plan (CCAP), approved by the State Controller's Office, claimed expenditures must be reported in the Extraneous Cost Section of the CEC until the plan is approved. If a county claims expenditures and does not have an approved CCAP on file, CDSS' Claims Audit Unit will shift expenditures to the Extraneous Cost Section of the CEC.

II. SOCIAL SERVICES FUNCTION

A. Wraparound Services Project

Assembly Bill (AB) 429, Chapter 111, Statutes of 2001, removed the sunset date for the Wraparound Services Project authorized by Senate Bill (SB) 163, Chapter 795, Statutes of 1997.

A forthcoming CFL will provide revised policy and claiming instructions for the Wraparound Services Project.

TANF FISCAL INCENTIVES

Welfare and Institutions Code 10544.1 established performance incentives to counties to move CalWORKs recipients to employment. Counties may use TANF federal incentive funds for expanded services and benefits that directly lead (or can be expected to lead to) the accomplishment of one of the four purposes of the TANF program.

The following Time Study Codes have been established to capture costs for federal reporting purposes, activities consistent with benefits, or services provided under TANF. These codes will only be used for reporting federal fiscal incentives. Counties may no longer report fiscal incentive expenditures to extraneous; all expenditures must be reported under existing and new program codes. Both state and federal fiscal incentive expenditures will continue to be reported on the addendum page.

The listing of potential activities below is by no means exhaustive but serves to illustrate a few possibilities that counties may consider when designing their programs.

TANF FISCAL INCENTIVES – PROGRAMS THAT PROVIDE ASSISTANCE TO NEEDY FAMILIES

Activities consistent with the first purpose of TANF are those which provide assistance to needy families so that children may be cared for in their own homes or in homes of relatives. It does not cover children living with non-relatives. Benefits or services may include funding of home repairs or food banks to provide groceries to needy families. Benefits provided under this purpose are not limited to those within the definition of “assistance.”

TANF FISCAL INCENTIVES-PROGRAMS THAT END DEPENDENCE OF NEEDY PARENTS

Activities consistent with the second purpose of TANF are those which end the dependence of needy parents on government benefits by promoting one of three objectives; job preparation, work and marriage. Activities would include time spent helping any needy parent, including a noncustodial parent or a working parent, by providing employment, job preparation, or training services. Potential services include job or career advancement activities, marriage counseling, refundable earned income tax credits, child care services, and employment services designed to increase the noncustodial parent's ability to pay child support. Activities that promote any one of the three objectives-job preparation, work, and marriage would be consistent with this purpose.

GENERAL TIME STUDY INSTRUCTIONS 12/01

GENERAL INSTRUCTIONS FOR COMPLETING THE TIME STUDY

Complete the time study on a continuous basis throughout the day.

Round hours to the nearest quarter hour.

Record the total hours worked for each day; do not record overtime (OT) and compensating time off (CTO) hours worked in the total hours for the day. When CTO is used, record the time to the program or activity that caused the overtime. If the county is unable to track CTO to the program that caused the overtime, CTO may be recorded as nonallocable when used.

Record travel time to the program with which it is associated.

Record breaks, dock, furlough, leave without pay time, holidays, jury duty, military leave, sick leave, and vacation as nonallocable. Lunch and normal days off are not recorded.

Record time spent in continuing training to the associated program; if not identifiable to a program, record as generic.

Record quality control/quality assurance and program integrity activities to the associated program.

Record time for conferences and staff meetings to the associated program or function; if not identifiable to either, record as generic.

The total allocable and nonallocable hours recorded for each day must equal the total assigned routine work hours as defined by the County Welfare Department (CWD).

Caseworkers who perform administrative activities, whether full-time or part-time, will record these activities to generic.

First-line supervisors of caseworkers record their nonallocable time and any direct time spent on casework activity on a daily basis. Time spent on supervision is allocated to the appropriate programs at the end of the time study period based on the allocable time of their staff.
