Dear Ms. Bayer:

**SUBJECT: FISCAL YEAR (FY) 2000/01 ALLOCATION FOR CALIFORNIA WORK  
OPPORTUNITY AND RESPONSIBILITY TO KIDS (CalWORKs)  
STATEWIDE EVALUATION**

The purpose of this letter is to provide you with your county's CalWORKs statewide evaluation allocation for FY 00/01. Your allocation is \$218,318 in Total Funds.

The FY 2000/01 allocation is based on your county's agreement to designate a full-time staff person as the CalWORKs statewide evaluation county coordinator to assist with on-going evaluation activities and act as the central point of contact. This amount includes funding for one full-time staff, travel costs, and electronic data processing (EDP) costs that are above routine EDP costs.

The costs will be charged against this allocation through program code 646 – CalWORKs Evaluation, of the county's quarterly County Expense Claim. At the closeout process, any surplus funds remaining will be redistributed to deficit counties.

Questions concerning the allocation should be directed to your County Financial Analysis Bureau analyst at (916) 657-3806. Questions concerning the evaluation should be directed to Aris St. James of the Research and Evaluation Branch at (916) 657-1959.

Sincerely,
