YOUR RESPONSIBILITIES

Citizenship/Immigration Status

To sign under penalty of perjury that each member applying for cash aid and food stamps is a U.S. citizen, U.S. national or has lawful immigration status. Information you give us on immigration status will be checked with the U.S. Immigration and Naturalization Service (INS). Information we get from INS may affect your eligibility. (Manual of Policies and Procedures Section 42-433).

If you want Medi-Cal/State CMSP, you must provide a declaration of citizenship/immigration status under penalty of perjury. If you say you are a noncitizen with lawful permanent residence (LPR) in the U.S., an amnesty alien with a valid and current I-688 or a noncitizen permanently residing under color of law (PRUCOL), your immigration status will be checked with the U.S. Citizenship and Immigration Services (USCIS). The information the USCIS receives to verify the immigration status of the applicant can only be used to determine Medi-Cal/State CMSP eligibility, and cannot be used for immigration enforcement unless you are committing fraud.

Fingerprint/Photo Imaging

All eligible adult household members for cash aid and/or food stamps must be fingerprint/photo imaged. If anyone who is required to cooperate with these rules does not get fingerprint/photo imaged, no benefits will be issued to the entire household. (Manual of Policies and Procedures Section 40-105.3).

The fingerprint/photo images are confidential and can only be used to prevent or prosecute welfare fraud.

Social Security Number (SSN) Rules

The SSNs will be used in a computer match to check income and resources with records from tax, welfare, employment, the Social Security Administration and other agencies. Differences may be checked out with employers, banks or others. Making false statements or failing to report all facts or situations which affect eligibility and aid payments for cash aid, food stamp and Medi-Cal/State CMSP may result in repayment of benefits and/or criminal or civil action.

Cash Aid and Food Stamps: You must give us the SSN for each applicant or recipient of cash aid and/or food stamps. If you refuse to give us either a SSN or proof of application for a SSN, you will not be able to get cash aid or food stamps. For cash aid, you must give proof of application for a SSN within 30 days of application for cash aid and give the SSN to the county when you get it. (Manual of Policies and Procedures Section 40-105.2).

Each applicant for Medi-Cal/State CMSP, who says he/she is a U.S. citizen, a U.S. national, LPR in the U.S., an amnesty alien with a valid and current I-688, or PRUCOL, will be disqualified from getting Medi-Cal if he/she refuses to give either a SSN or proof of application for a SSN. Any noncitizen who does not have a SSN and who is not an amnesty alien with a valid and current I-688 or a LPR or PRUCOL, can still get restricted Medi-Cal/State CMSP if he/she meets all eligibility rules, including California residency.

Verification(s)

To give proof to support your eligibility. If you can't get proof, you will need to give the name of some other person or agency we may contact to get the proof. We will help you get proof when you can't get it. (Manual of Policies and Procedures Sections 40-105.1; 40-157.212; 40-157.213)

Cooperation

To cooperate with county, state and federal staff. For cash aid, a county worker can come to your home at an arranged time to check out your facts, including seeing each family member. You may not get benefits or your benefits may be stopped if you don't cooperate.

CASH AID AND MEDI-CAL

To apply for any benefits or income anyone is eligible to get, such as: Unemployment (UIB) or Disability benefits, Veterans benefits, Social Security or Medicare, etc.

Child/Spousal and Medical Support

To cooperate with the county and the Local Child Support Agency to:

- identify and locate any absent parent in your case;
- tell the county or the Local Child Support Agency anytime you get information about the absent parent, such as place of residence or work location;
- determine the paternity of any child in your case when needed;
- obtain medical support money from any absent parent and, if you get cash aid, obtain child support money;
- give the Local Child Support Agency any medical support money and, any child/spousal support money you get;
- tell the county about medical coverage or money for medical services paid by the absent parent.

Your cash aid will be lowered if you don't cooperate. (Manual of Policies and Procedures Sections 40-157.212; 40-157.213).

MEDI-CAL

Benefits Identification Card (BIC)

- To sign your BIC when you get it and to use it only to get necessary health care services.
- **To never throw your BIC away** (unless we give you a new BIC). You need to keep your BIC even if you stop getting Medi-Cal. You can use the same BIC if you get cash aid or Medi-Cal again.
- To take the BIC to your medical provider when you or a family member is sick or has an appointment.
- To take the BIC to the medical provider who treated you or your family member(s) in an emergency situation as soon as possible after the emergency.

Health Care Coverage/Insurance

- To tell the county and any health care provider of any health care coverage/insurance you or a family member have.
- To retain any health insurance available to you and your family at no or reasonable cost.
- To use any prepaid health plans, health maintenance organization or health care insurance plans you have before using Medi-Cal/State CMSP, unless the plan does not offer the medical service needed. You need to use them because Medi-Cal will not pay for any service paid for and/or provided by these medical insurance plans.
- To enroll and stay enrolled in an employment-related group health plan when Medi-Cal approves payment of plan premiums by the State of California.

YOUR REPORTING RESPONSIBILITIES

You must report certain information to the county. If you're not sure how to report, what to report, or what proof we need, ask your worker. If you get food stamps, your worker will tell you if you are a quarterly or change reporting household. If you get Medi-Cal/State CMSP, the county will tell you when you must report. (Manual of Policies and Procedures Section 40-181).

HOW YOU MUST REPORT

For Cash Aid and Food Stamp Quarterly Reporting, you must turn in a Quarterly Eligibility Report (QR 7) by the fifth day of the month following your report months and report all required changes to the County within 10 days.

For Food Stamp Change Reporting, you must report all changes within 10 days:

- by mail, telephone, or in person at the County Food Stamp office; OR
- on a DFA 377.5, Food Stamp Household Change Report

For Medi-Cal, you must report all changes within 10 days AND turn in a complete Status Report by the 5th of the month when the county sends or gives it to you.

WHEN YOU MUST REPORT

For Cash Aid and Food Stamp Quarterly Reporting

Quarterly reporting rules say that you must report things at certain times. You will be assigned a "report month" for each quarter (three month period). This will be the second month of each quarter. For example, if your quarter is January, February and March, February would be your "report month" and your report would be due by the 5th day of March. The report is always due by the 5th day of the month following your "report month" and will be considered late if not received by the 11th day of the month. If your Quarterly Eligibility Report (QR 7) is late you will have to pay back any Cash Aid or Food Stamps that you were not supposed to get. You will have to report gross income, changes in the number of people in your household, property bought or sold by people in your household and other information for that report month as well as any changes in your gross income that you expect to happen in the next quarter. If you do not turn in a completed Quarterly Eligibility Report (QR 7) by the end of the first working day of the month after the month your report is due, your household's benefits will be stopped.

What you must report on the Quarterly Report:

1. **Earned Income:** All gross earned income received by you or anyone in your household in the report month. This includes wages; tips; vacation pay; cash bonuses; money from self employment or from a training program; also any income in kind in exchange for work, such as free rent, clothing or food.

2. **Unearned or Disability Based Income:** All other income received by you or anyone in your household in the report month. This includes Child/spousal support; interest or dividends; gambling/lottery winnings; insurance or legal settlements; strike benefits; cash, gifts, loans scholarships; tax refunds; any government benefits, like Social Security, Supplemental Security Income/State Supplementary Payment (SSI/SSP), unemployment, worker's compensation, state disability indemnity, veterans or railroad retirement, or other private or government disability or retirement; rental income and rental assistance; free housing/utilities/clothing/food; or any other type of money received.
3. You must also report on your Quarterly Report any changes in income that you expect to happen during the next quarter. This includes earned, unearned and disability based income changes.
4. **Property:** Any property including, motor vehicles; bank accounts; savings bonds; insurance policies; a home or land; trust; EBT cash balance, etc. that you or anyone in your household has received since your last Quarterly Report and still has, whether it was bought, obtained through a trade or as a gift. The county will use this information to determine if your household exceeds the property limit. You must also report if you or anyone sold, traded or gave away any property since your last Quarterly Report.
5. **If You Move or Someone Moves Into or Out of Your Home:** Anyone (including newborns) who moved into your home since your last Quarterly Report and is still there. You must also report anyone who moved out of your home or who has died since your last Quarterly Report.
6. **Convicted Drug Felons, Fleeing Felons and Probation/ Parole Violators:** The name of anyone in your household who is either avoiding or running from the law to avoid a felony prosecution, custody or confinement after conviction, or in violation of probation or parole. You must also report any household member who has been convicted of a drug felony for possession, use, manufacturing sale or distribution, of a controlled substance, or any activity in connection with these unlawful acts, or harvesting, cultivating or processing marijuana, or involving a minor in these activities. For food stamps you must report felonies since August 22, 1996 and for Cash Aid list convictions that happened after January 1, 1998.
7. **Reduced Hours of Work:** If you are an Able-Bodied Adult Without Dependents (ABAWD), you must report when your hours of work drop below 20 hours a week or 80 hours a month. You must also report if you expect your work hours to drop below these limits during the next three months.

For Medi-Cal/State CMSP, you must report when:

1. Anyone enters or leaves a nursing home or long term care facility.
2. Anyone applies for disability benefits, such as SSI/SSP, Social Security, Veterans, or Railroad Retirement.
3. Anyone gets health care services that result from an accident or injury due to someone else's action or failure to act.

YOUR REPORTING RESPONSIBILITIES (CONTINUED)

For Non-Assistance Food Stamps Quarterly Reporting

If you only get Food Stamps you must report when:

1. Anyone in the household moves to another address, plans to move or gets a new mailing address.
2. Anyone who is an Able Bodied Adult Without Dependents (ABAWD) Food Stamp recipient and the number of hours they work or are in training drop to less than 20 hours a week or 80 hours a month.

For CalWORKs you must report certain changes at other times:

In certain circumstances you will be required to report things (within ten days of the change) even if it is not your "report month" such as:

1. Anytime that your family's combined gross income (both earned and unearned) is more than the Income Reporting Threshold (IRT) for a family of your size. Your county worker will tell you the IRT limit for a family of your size. If your family only gets unearned income or only gets Food Stamps, you will only be required to report income on your Quarterly Eligibility Report (QR 7).
2. Anytime that someone in your household is convicted of a drug related felony, becomes a fleeing felon or is in violation of probation or parole.
3. Anytime you move you must report your address change so that the County will know where to send your benefits, Quarterly Report forms and notices.

Reporting information voluntarily for CalWORKs and Food Stamps Quarterly Reporting:

You may also report other information voluntarily even when it is not your "report month." Reporting information voluntarily may cause your household's benefits to go up. If the information reported causes your benefits to go up, the county will take action within ten days after you provide verification. One exception is when the increase results from adding another person to your case. In that situation, the County will take action to increase benefits the first of the month after you provide verification. Even if you have already reported something to the County, you must also report it on your next Quarterly Report (QR 7).

Some examples of voluntary reporting that may cause your benefits to go up include:

- Your income stops or drops.
- Someone who has little or no income moves into your home (including a newborn).
- Someone who has income moves out of your home.
- You believe that you or someone in your household is eligible for a CalWORKs Special Needs payment, such as pregnancy special needs or a qualifying special diet.

Additional examples for Food Stamps only:

- A household member begins to pay court ordered child support for a child not living in the home.
- A household member is 60 or older.
- Any member who is disabled or 60 years of age or older has changes in or new medical expenses (if verified your Food Stamps can be refigured).

Additional Information for Food Stamp Only Households

If you receive food stamp benefits and you voluntarily report income that has increased, and it is above the gross income level for your household size, your benefits may be discontinued.

Note that if you receive only food stamp benefits: (1) you do not have to report any increases in income during the quarter; and, (2) when you report changes to the county or in between written quarterly reports, you must also report the change on your next QR 7.

At anytime you can ask the County to discontinue your entire case or any individual person who has left the home or is not required to be in the assistance unit. You can also ask the County to discontinue certain benefits, such as: Medi-Cal or Food Stamps. Receiving Medi-Cal/or Food Stamps only will not count against your Cash Aid time limits.

Other changes for quarterly reporting:

There are other changes that will cause the County to decrease or discontinue your benefits during the quarter in which they happen. Here are some examples:

- An adult in the household reaches the CalWORKs 60-month time limit;
- A household member is sanctioned/penalized;
- A child reaches the age of 18 (and will not graduate from high school before the age of 19);
- Someone in your household begins receiving benefits in another household;
- An eligible child is placed in Foster Care;
- Anyone who is an Able Bodied Adult Without Dependents (ABAWD) Food Stamp recipient and the number of hours they work or are in training drop to less than 20 hours a week or 80 hours a month.

FOOD STAMP CHANGE REPORTING

For Food Stamp Change Reporting, you must report when:

1. Your total monthly income starts, stops, or changes by more than \$50.
2. Anyone's source of income changes.
3. Anyone moves into or out of your home.
4. Anyone joins or leaves your household.
5. You move or you get a new address.
6. Your rent and utility costs **only** if you move.
7. Anyone buys, gets, sells, or gives away a licensed motor vehicle.
8. The total of your household's stocks, bonds, or other money is or is more than \$2000 (or \$3000 if you have a household member who is age 60 or older).
9. If there is a change in the amount of any court ordered child support paid by a member of the household for a child not living in the home.
10. Anyone who is an Able Bodied Adult Without Dependents (ABAWD) Food Stamp recipient and the number of hours they work or are in training drop to less than 20 hours a week or 80 hours a month.
11. Any member of your household is avoiding or running from the law to avoid any felony prosecution, custody or confinement after conviction, or is in violation of probation or parole.
12. Any household member convicted of a drug-related felony after August 22, 1996, for manufacturing, sale or distribution of a controlled substance(s), or any activity in connection with these unlawful acts, or harvesting, cultivating or processing marijuana, or involving a minor in the above activities.

For Food Stamp Change Reporting, you may report when:

1. Anyone's physical or mental illness begins or ends.
2. Anyone's citizenship/immigration status changes or anyone gets a letter, form or new card from the USCIS.
3. You have changes in your dependent care costs.
4. Any member who is disabled or age 60 or older has changes in or new medical expenses. If verified, your allotment can be refigured.
5. Any household member starts to pay court ordered child support for a child not living in the home.

YOUR REPORTING RESPONSIBILITIES (CONTINUED)

IMPORTANT INFORMATION CASH AID ONLY

Unemployed Parent

If you are applying for cash aid as an unemployed parent, the principal earner (PE) must:

- be unemployed and not have worked in the preceding 4 weeks
- apply for and accept any unemployment insurance you are eligible to receive

The PE is the parent who has the most earnings in the past 24 months.

Homeless Assistance

You may be eligible for money to help pay for temporary shelter or permanent housing. This is a once-in-a-lifetime payment unless you meet an exemption. If you have already received homeless assistance and need it again, your worker will tell you if you are eligible.

School Attendance and Immunizations

You must provide proof when requested by the county that:

- all school-age children are attending school, and
- children under the age of 6 have received age appropriate immunizations. (Manual of Policies and Procedures Sections 40-105.4; 40-105.5).

Maximum Aid Payment (MAP)

There are two levels of Maximum Aid Payment (MAP). Most families getting cash aid get the lower MAP level. Families may get the higher MAP level if each parent or caretaker in the Assistance Unit (AU):

- is disabled and getting Supplemental Security Income/ State Supplemental Payments (SSI/SSP), or In-Home Supportive Services (IHSS), or State Disability Insurance (SDI), or Temporary Workers Compensation (TWC), or Temporary Disability Indemnity (TDI) benefits
- is caring for an aided child(ren) who is not their child and the caretaker does not get cash aid.

Also eligible for the higher MAP:

- a family who gets Refugee Cash Assistance (RCA) if each adult meets an exception.

If all the adults in the household meet at least one of these exemptions, ask your worker about applying for an exemption.

Treatment of Self-Employment

If you are self-employed, you will have a choice of figuring your business expenses based on a standard deduction of 40 percent of gross income or using actual business expenses. Once you choose a method of figuring your self-employed net income, you can only change that way of figuring expenses at redetermination or every six months whichever happens sooner.

Maximum Family Grant (MFG) Rule

The MFG rule applies to any child born after August 31, 1997. The MFG rule says that your maximum aid payment (MAP) will not go up to include a child born to your family, if your family got cash aid for the 10 months in a row right before the child's birth. There are exemptions to the rule. Your worker will give you a copy of the MFG rules and answer your questions. Then you will sign a copy that says you understand the rules.

Proof of Facts

If you ask for cash aid within one year of the date it stopped, the county must look at your prior case file to see if it already has the proof needed to determine your eligibility when:

- you cannot get the proof, or
- there is a cost to you to get the proof, or
- processing your application would be delayed because it would take too long for you to get the proof.

If you ask for cash aid within one year of the date it stopped AND, if the county doesn't have the proof it needs, then you will have to provide proof.

If you have new changes since you last got cash aid, the county will need new proof.

Here's how **Work Pays**:

- Gives you more \$\$\$\$ to help support your family
- Builds a better life for you and your family
- Develops job skills
- Builds self-esteem
- Gives you personal satisfaction

You can work and still get cash aid:

- ✓ In most cases, when you work, your gross earnings (earnings before deductions) are not subtracted dollar for dollar from your cash aid payment. You may be eligible for **work related deductions**. When you add it up, you have more \$\$\$\$ for your family.
- ✓ When you have a **grant-based on the job training (OJT)** assignment, all or part of your cash aid payment is used by your employer to help pay your wages. You do not get work related deductions for grant based OJT wages.
- ✓ Either way, you may be eligible for child care costs that are paid to your provider.

See page 7 for facts about work and training rules, work incentives, including child care programs. Ask your worker for more facts about **Work Pays** and how **grant-based OJT** can work for you.

Remember, you can work and still get cash aid as long as you stay eligible and meet reporting rules in a timely manner.

Work and Training Rules

Your worker will tell you what cash aid and/or food stamp work rules you need to follow before and after your application is approved. You may be required to be in work, training or education activities to keep getting your cash aid, food stamps, or both. More than one member of a household can be required to follow cash aid and/or food stamp work rules. If anyone becomes ineligible for not following work or training rules, other members of their household can still get cash aid or food stamps, as long as they remain eligible. But, the amount of cash aid or food stamps they get may change.

Cash Aid Work Rules

If you get cash aid and food stamps or just get cash aid, you will need to take part in certain Welfare-to-Work activities to keep getting your cash aid and food stamps. The county will tell you how many hours a week you must take part in these activities or if you are excused from these rules. Welfare-to-Work activities include, but are not limited to, subsidized or unsubsidized work, work experience, community service, adult basic education, vocational training, and job search. Subsidized means that the county or some other funding source pays your employer for part of your wages.

The cash aid work rules also say you must:

- Sign a Welfare-to-Work plan;
- Take a suitable job that is offered to you;
- Not quit a job or reduce your earnings.

Penalties for Not Meeting Cash Aid Work Rules

The first time you don't meet cash aid work rules for a good reason, your cash aid will be stopped until you do what you should do. For the second violation, it will be stopped for at least three months and for the third or additional violation, it will be stopped for at least six months. After your cash aid is stopped or reduced, you can only get it back again if you meet the work rules that you had stopped meeting or you become excused. If your cash aid is stopped, your food stamps may also be stopped or reduced for one, three or six months.

Food Stamp Work Rules for Persons Not Receiving Cash Aid

If you only get food stamps, you may need to take part in certain employment and training activities to keep getting your food stamps. These activities include job search, workfare, adult basic education, and vocational training. The county will tell you how many hours a week you must take part in these activities or if you are excused from these rules.

The food stamp work rules also say you must:

- Answer questions about your job experience and ability to work;
- Check on a possible job we tell you about and take a suitable job that is offered to you;
- Not quit a job or reduce the number of hours you work to less than 30 hours per week.

Food Stamp Only Penalties

If you don't meet food stamp work rules and you don't have a good reason, your food stamps will be denied or stopped for one, three, or six months, depending on the number of times you stop meeting the rules. After your food stamps are stopped, you can only get them again at the end of the penalty or sooner if you become excused.

Work Requirement for Able-Bodied Adults Not Receiving Cash Aid

If you only receive food stamps and you don't have minor children, there is another work rule which you also may need to meet. You do not have to meet this work rule if you are under age 18, over age 49, pregnant, or you are part of a food stamp household with a minor child. You may be excused for other reasons that your county worker can explain. The work rule says that if you are an able-bodied adult, you must work at least 20 hours a week or 80 hours a month in paid employment, take part in a workfare project for the required number of hours, or take part in an approved training activity for at least 20 hours per week or 80 hours per month. During a period of 36 months, food stamps will stop if there are three months in which you do not meet the work rule. If you stop meeting the work rule a second time for reasons such as being laid off, you may be able to get food stamps for three months in a row without having to meet the rule. After that you can only get food stamps if you meet the work rule or get excused.

Income Disregards

When you have income and are on cash aid, there are two income disregards (deductions) that may be subtracted from certain types of family income. When you or any of your family members receive certain types of disability-based unearned income or you are working and getting cash aid, you are eligible for an income disregard of \$225. The \$225 is first deducted from certain disability-based unearned income. Any remainder of the \$225 is then deducted from earned income. If there is a remainder of earned income, 50 percent of that remaining earned income will be disregarded.

Treatment of Self-Employment

If you are self-employed, you will have a choice of figuring your business expenses based on a standard deduction of 40 percent of gross income or using actual business expenses. Once you choose a method of figuring your self-employed net income, you can only change that way of figuring expenses at redetermination or every six months whichever happens sooner.

CalWORKs Child Care Program

Child care benefits are available to recipients who need child care to work or participate in county-approved welfare-to-work activities such as attending education or job training programs.

California Department of Education (CDE) Child Care

Child care benefits are also available from CDE. Contact your local Resource and Referral Agency for more information.

Transitional Medi-Cal (TMC)

You may get Medi-Cal for up to 24 months if you go off cash aid because you are working. Your family must have gotten cash aid for at least three of the last six months before cash aid stopped. To get more than six months of TMC, your income must be under certain limits and you must meet TMC reporting rules.

OTHER IMPORTANT INFORMATION

CASH AID AND FOOD STAMP QUARTERLY REPORTING HOUSEHOLDS Budgeting Rules

The amount of cash aid and/or food stamps you can get depends on your income and allowable expenses. You will get a Quarterly Eligibility Report (QR 7) to fill out every three months. On the QR 7, you will need to report what income and expenses you had in the last month and what income and expenses you think you will have in the three months after you turn in your report. The income and expenses you expect to have in the next three months will be used to figure the amount of cash aid and/or food stamps you can get for those three months. Information that you put on the QR 7 about the past month will be used for the next three months if you don't expect your income or expenses to change.

For example, if you turn in a QR 7 in March, you will report what income you had in February. You will also report any income changes you expect to have in April, May and June. If the income from February will stay the same, your cash aid and/or food stamps for April, May, and June will be figured using that same income and expenses for each of those months. If your income and expenses will change, your worker will use the new income amounts you think you'll get in April, May, and June to figure your cash aid and/or food stamp amount for those months. This method is called prospective budgeting.

Property Limit

There is a \$2000.00 limit on the amount of property (e.g., bank accounts, stocks, etc.) that your household can have and still get cash aid or food stamps. If someone in your household is at least 60 years old, the limit goes up to \$3000.00. Your house and furniture are not part of the total limit as long as you live in your home. The individual vehicle value limit is \$4650. If your registered vehicle is worth more than \$4650, anything over the limit will be used as part of the total property limit unless the vehicle is needed by the household for certain reasons. Ask your worker what the reasons are. Any vehicle you have, that cannot be sold for more than \$1500, will not be used as part of the total property limit to determine eligibility. Your worker can tell you how to figure the value of any unregistered vehicles.

CASH AID ONLY

60-Month Time Limit

As of January 1, 1998, a parent or caretaker relative is not eligible for cash aid when he/she has received cash aid for a total of 60 months. All aid received through CalWORKs (California Work Opportunity and Responsibility to Kids) and/or cash aid received from any other state counts toward the 60-month total. Only cash aid received on or after January 1, 1998, counts toward the 60-month total. There are exceptions to this time limit and the limit does not apply to children.

Resources/Electronic Benefits Transfer (EBT)

Any balance remaining in the EBT account at the end of the month will be considered an available resource and could make your household ineligible for cash aid if your total countable resources are more than the allowable resource limits.

Transfer of Assets Rule

Recipients can sell, exchange or change the form of their property holdings, if they get fair market value for the property (asset). If they do not get fair market value for the asset, the family will get a period of ineligibility. The period of ineligibility is figured by subtracting the amount received from the fair market value of the asset and then dividing that amount by the need standard for the family. The amount is rounded down to the next lower whole number.

Cal-Learn

Cal-Learn helps pregnant and/or parenting teens under the age of 20, who are getting cash aid and do not have a high school diploma or its equivalent to stay in or return to school. Teens in the Cal-Learn Program may get cash bonuses for good grades and graduation from high school. Cal-Learn teens may get help with child care, transportation, and other services. Cash penalties may be subtracted from their family's cash aid payment for not going to school or for getting poor grades.

FOOD STAMP ONLY Standard Utility Allowance (SUA)

- If you are billed for heating and/or cooling costs that are not included in your rent or mortgage payment, you may be eligible for the **Standard Utility Allowance (SUA)**. The SUA is one deduction for **all** of your eligible utility costs. If your utility bills are more than the SUA, you may switch between actual and the SUA at recertification. If you have other utility costs but your heating or cooling costs are included in your rent, your benefits will be figured on your actual utility costs. Ask the county to see if you are eligible for the SUA.
- You may still get food stamps even if your cash aid is denied, changed or stopped. You will get another notice about your food stamps if there is any change.

MEDI-CAL/STATE CMSP ONLY Spending Down Excess Property

- If you get or apply for Medi-Cal/State CMSP Only and you have more property than the rules allow, you may lower it by the last day of any month, including the month of application. For Medi-Cal you may spend your excess property in any manner you want. But you may not be eligible for nursing facility level of care for a period of time if you sell or give away any property for less than its worth, and you apply for or receive Medi-Cal nursing facility level of care within 30 months of the transfer.
- You may not be eligible for State CMSP if you sell or give away any property for less than it is worth.

Resources And Property

- All Medi-Cal benefits received after age 55 are subject to recovery from a deceased Medi-Cal recipient's estate. However, recovery may not exceed the value of the estate. Recovery may not occur if the beneficiary is survived by a spouse. The state may not claim the proportionate share of an estate left to a minor child or a totally disabled adult child. In addition if recovery would cause an undue hardship for any other heirs and that hardship can be demonstrated, recovery may be waived in full or in part.
- If you are institutionalized and your home or former home is not exempt, the State may record a lien against your property to repay the cost of medical care covered by Medi-Cal.

Voter Registration: If you want to register to vote, ask your worker to send you a registration form. If you need help filling it out, ask your worker. You can mail the form yourself. Your eligibility for aid will not be affected whether or not you register. Your worker will not tell you how to vote.
