CW 2197 (12/05)

INSTRUCTIONS

CONTENT

The CW 2197 report collects statistical information on families and children who are no longer receiving CalWORKs cash aid and currently enrolled in Stage One Child Care. These recipients are eligible to receive Stage One Child Care for 24 full months once the recipient reached their 60 month time limit of receiving CalWORKs cash aid. Information provided in this report will show a point-in-time of the (1) number of recipients whom exhausted their 24 full months of eligibility, (2) an actual case count of the number of families and children who were enrolled in the month of December 2005, and (3) a detailed itemized count in the appropriate month and year when these recipients began their 24 months of eligibility.

Copies of this report form and instructions can be viewed and printed from the California Department of Social Services (CDSS), Research and Data Reports (RADR) website at http://www.cdss.ca.gov/research/.

PURPOSE

This data is collected to estimate the funding necessary to serve former CalWORKs recipients in Stage Three Child Care after they have exhausted their 24 months of Stage One Child Care.

COMMENTS

To ensure data reporting accuracy, the number of recipients entered in Part B, Item 2 will be compared to the number of payments issued to One Parent Families (CW 115, Cells 3 and 8) and Two Parent Families (CW 115A, Cells 3 and 8) for the same report month (December 2005). If your county shows a significant difference, please provide an explanation in the Comments section.

The data reported on the CW 2197 is not identical to the Child Care Monthly Reports CW 115 and CW 115A. However, the number of recipients enrolled and the number of recipients that are paid are generally within close proximity of each other. A data comparison process will be done to measure the difference between the number of enrolled to the number that are paid Stage One Child Care for the same period. If the numbers show a significant difference, please provide a written summary in the COMMENTS section.
