SUB-RECIPIENTS UNDER GRANTS

- The presence of one or more of the following conditions would indicate that the sub-recipient should be considered a *subgrantee* and is subject to the provisions of OMB Circular A-133:
 - a. Determines who is eligible to receive what Federal financial assistance;
 - b. Has its performance measured against whether the objectives of the Federal program are met;
 - c. Has responsibility for programmatic decision making;
 - d. Has responsibility for adherence to applicable Federal program compliance requirements;
 - e. Uses the Federal funds to carry out a program of the organization as compared to providing goods or services for a program of the pass-through entity;
 - The presence of one or more of the following conditions would indicate that the sub-recipient should be considered a *vendor* and is not subject to the provisions of OMB Circular A-133:
 - a. Provides the goods and services within normal business operations;
 - b. Provides similar goods or services to many different purchasers;
 - c. Operates in a competitive environment;
 - d. Provides goods or services that are ancillary to the operation of the Federal program;
 - e. Is not subject to compliance requirements of the Federal program.
12. No organization may participate in these programs in any capacity or be a recipient of Federal funds designated for these programs if the organization has been debarred or suspended or otherwise found to be ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension." (See 45 CFR 92.35.) Grantees must include a similar term and/or condition for all sub-awards or contracts awarded under these programs. Prior to issuing subawards or contracts under this grant, the grantee must consult the ineligible parties list to ensure that organizations under funding consideration are not ineligible. The list is available on the System for Award Management website: <https://www.sam.gov>.
13. Each grantee is responsible for monitoring grant, sub-recipient and contract supported activities to assure compliance with Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function and activity. (See 45 CFR 92.40.)
14. Each grantee is required to advise sub-recipients of requirements imposed on them by Federal laws, regulations, and the provisions of grant agreements or contracts as well as any supplemental requirements imposed by the Grantee. These include grant administrative requirements under 45 CFR Part 92, audit requirements under OMB Circular A-133 (where applicable) and cost principles according to recipient type:
- Non-Profit Organizations: 2 CFR Part 230;
 - Educational Institutions: 2 CFR Part 220;
 - Commercial Vendors or Subcontractors: 48 CFR Part 31.
15. Grantees must ensure that any sub-recipient that expends Federal funds totaling \$500,000 or more during the course of its fiscal year must arrange for a financial audit in compliance with the requirements of OMB Circular A-133.

NON-FEDERAL SHARE OF PROGRAM FUNDING

16. For some mandatory grant programs, the grantee is required to provide a portion of program funding, as specified in Federal law.

- In most instances, all of the non-Federal share of funding for these programs will be appropriated specifically for that purpose by a State legislature or provided through other grantee funding sources;
- Third party in-kind contributions may not be used as the non-Federal share of any program expenditure, unless specifically allowed for that purpose in the Federal statute applicable to that program
- Donated funds may be used as the non-Federal share under the following conditions:
 - a. The donor may specify the activities to be supported by the donation, but may not be a sponsor or operator of the specified activity. Any specified activity must be an allowable expense under all applicable laws, regulations and policies governing these programs;
 - b. The donor may specify the geographic area in which the specified activity is to be provided;

FINANCIAL REPORTING

16. Grantees are required to file periodic financial reports either quarterly, semiannually or annually for each program, in accordance with specific program requirements.
17. All grantees are requested to file these reports electronically through the ACF On-Line Data Collection (OLDC) system. OLDC requires electronic signatures from the authorized grantee officer or official. (See Action Transmittal OA-ACF-AT-01-05, issued January 24, 2005.) When electronic reports are completed and submitted, no paper submission is required.
18. For any grantee the elects to submit paper copies of the required periodic financial report, send a copy with an original signature to the financial office. (See "Important Addresses," below.) When stipulated by specific program requirements, send a second copy of each report to the appropriate Regional Grants Officer.
