The purpose of this letter is to inform County Welfare Departments (CWDs) that effective January 1, 2019, the daily rate for temporary HA will be increasing.

Background/Current Law

Temporary HA is available to homeless CalWORKs families to help pay for up to 16 consecutive days of temporary shelter, while the family is searching for permanent housing. (Note: applicants receiving AB 557 expanded HA benefits are exempt from the permanent housing search.) Current daily limits are \$65 for a family with up to four people; the fifth and each additional family member each receives \$15 a day, up to a daily maximum of \$125.

Change to Daily Limits

The AB 1811 establishes that effective January 1, 2019, the daily amounts of temporary HA payments will be increased for a family with up to four members from \$65 to \$85 a day. Each additional family member will continue to get an additional \$15 a day, up to a daily maximum of \$145. This increase applies to all temporary HA, including AB 557 benefits for CalWORKs applicants fleeing domestic abuse (see [ACL NO. 18-78](#)) and AB 236 benefits for CalWORKs Family Reunification cases (see [ACL NO. 18-71](#)). All other HA provisions remain in effect.
