

## Data Definitions for DFA 256, SDX and MEDS

### DFA 256 Definitions

**Total Seniors on CalFresh** - Seniors are defined as age 60 or older.

### SDX Data Definitions

**SSI Aged** - A SSI eligible recipient who first came in the program at age 65 or older.

**SSI Blind** - Under SSI/SSP rules, blindness means that you are statutorily blind. Statutorily blind means you have central visual acuity of 20/200 or less in your best eye with the use of a corrective lens. This definition also applies to children. Your doctor can tell you if you are statutorily blind.

**SSI Disabled** - SSI/SSP rules define "disabled" to mean that you are unable to do any substantial, gainful activity because of a mental or physical impairment that can be expected to last for a continuous period of at least 12 months or that will result in death. "Substantial, gainful activity" generally means work with wages in excess of \$500 per month. For children under age 18, "disabled" means there is medical evidence of a physical or mental impairment which limits the child's ability to function and the impairment is expected to last for a continuous period of at least 12 months.

**SSI Age Under 65** - A SSI eligible recipient who is under the age of 65.

**SSI Age 65 or Older** - A SSI eligible recipient who is age 65 or older, regardless of when they enter the program.

**SSI Living Independently** – SSI/SSP Recipients who live independently are able to manage the tasks of daily living on their own in a location of their choosing. An SSI individual or a SSI couple can be considered independent.

**SSI Institutions** – SSI Public institutions are state hospitals, jails, prisons, veterans hospitals, or any other place operated or controlled by federal, state or local government.

- Recipient has ownership interest in the home.  
*This may mean, for instance, that they live with a non-SSI spouse in a home they both own.*

*They may be sharing an apartment with an non-SSI spouse, child, or others.*
- Recipient lives with others and all members of the household receive public income maintenance payments.  
*Public income maintenance payments include not only public assistance but also railroad retirement, veteran retirement, and social security income. Public employee retirement income is also a public income maintenance payment.*
- Lives with others and pays a pro rata share of the shelter and/or food expenses.

**SSI with Representative or Designated Payee\*** - A representative payee, or substitute payee, is a person who acts as the receiver of United States Social Security Disability or Supplemental Security Income for a person who is not fully capable of managing their own benefits, i.e. cannot be their own payee. The representative payee is expected to assist the person with money management, along with providing protection from financial abuse and victimization.

## Data Limitations for DFA 256, SDX and MEDS

### DFA 256 Limitations

- Reports can be updated retrospectively
- Cannot drill down to case level specifics
- Lack of clarity in instructions results in inconsistent reporting throughout counties
- May not match data collected from other sources (WDTIP, County Expense Claim)
- County data is not audited
- Cannot be linked to other data sets

### SDX Data Limitations

- Only tracks those recipients on aid
- Aid type at age 65 will not change when a recipient initially entered the program as Disabled or Blind
- Representative Payee is self-reported

### MEDS Limitations

- 3 to 6 month lag
- No data on unaided persons in the AU/household
- Data is maintained by DHCS and not readily available to CDSS (MOU required for use)
- No monetary benefit information
