How to Become a Certified Administrator

To become a certified administrator for the Residential Care Facility for the Elderly (RCFE), Adult Residential Facility (ARF), Group Home (GH) and/or Short Term Residential Therapeutic Programs (STRTP), the applicant must meet the qualifications for each program separately.

Complete the training

- Complete the applicable Initial Certification Training Program (ICTP) given by an Administrator Certification Section (ACS) approved ICTP vendor. (See the approved vendor list.)

- If you’re an applicant for a RCFE certificate and have a valid Nursing Home Administrator (NHA) license, complete the required twelve (12) hours of classroom instruction in core subject areas in lieu of the ICTP (see Section 87406(a)(1) of the regulations).

- If you’re currently a certified GH administrator and are applying to become a STRTP administrator, complete the required twelve (12) hours of classroom instruction in core subject areas in lieu of the ICTP and exam (Health and Safety Code section 1522.41(d), and review the STRTP Interim Licensing Standards).

Take and pass the Department-administered exam

- Take the standardized exam administered by the California Department of Social Services (CDSS) within sixty (60) days of completing the ICTP. (See exam registration information and the 2020 exam schedule on the ACS website.)

- Pass the exam with a minimum score of 70%.

- ACS will score your exam and send you an exam results letter indicating that you either did or did not pass the exam. After seven (7) business days have passed since your exam date, you may call the ACS for your exam results. If you fail the exam, you can retake the test within the 60 days of completing the ICTP.
  
  - If you do not receive a letter within fourteen (14) days of taking the exam, please submit your application without it. Your application must be submitted within 30 days of being notified of a passing score on the exam or you will have to restart the process, meaning retake the ICTP and the exam.

- Note if you’re an applicant for a RCFE certificate and have a current active NHA license, you do not need to take the exam but must meet the other requirements for certification.
• **ATTENTION ALL APPLICANTS:** Effective January 1, 2016, potential administrators are limited to three (3) attempts to pass the Administrator Certificate exam with the 60-day period.

**Submit the application**

• **Within thirty (30) days** of receiving an exam results letter, submit a completed initial administrator application packet to the ACS (see address below). It is recommended to mail this packet via certified US mail. The application packet must include:

  o A copy of your extension approval letter, if applicable

  o A completed and signed LIC 9214 – Application for Administrator Certification form.

  o A check or money order in the amount of $100 (for the nonrefundable application processing fee), payable to the California Department of Social Services (CDSS). Include your certificate number on the check or money order.

  o A copy of your Certificate of Completion of the ICTP, OR documentation verifying qualification for an exemption, if applicable (e.g., a copy of your current NHA license).

  o A completed and signed LIC 508 Criminal Record Statement. If you have a criminal record conviction, you must include and sign a written statement describing the circumstances regarding the crime(s).

  o A copy of your completed LIC 9163 Request for Live Scan form for a statewide (Department of Justice) and national (Federal Bureau of Investigations) criminal background check, and, for GH or STRTP applicants, a Child Abuse Index Check; OR documentation of your prior clearance including your Personnel ID Number if available. (See background check info for further details.)

  ▪ **NOTE:** Do not wait for your Live Scan results to submit your application. Your clearance information will be sent to CDSS.

**Extensions**

• If for a good cause (e.g., death in immediate family, required fulfillment of military service or other civic duty) you cannot meet these timelines you may request an extension within the allowed timeframes. (See the administrator certification regulations Section 84064.2(i) for GH, 85064.2(i) for ARF or 87406(i) for RCFE, and the extension request form.)
• If you have been granted an extension, include that approval letter in your application packet.
